Election/Restrictions

1. Applicant has argued that previously presented and withdrawn claims 23-36 are directed to the elected species shown in Figs. 11 and 12. While this may be true, they are directed to patentably distinct inventions from the elected invention of Group II, claims 15-22 as explained in the previous action.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

This application is in condition for allowance except for the presence of claims 23-36 drawn to an invention non-elected without traverse. Accordingly, claims 23-36 have been cancelled.

REASONS FOR ALLOWANCE

3. The following is an examiner's statement of reasons for allowance: The main reason for the allowance of claim 15 is that the prior art fails to disclose the a traction control system including speed sensors for detecting the rotary speed of at least two of the pinion shaft and the first and second output shafts, a first temperature sensor for detecting the fluid temperature in the first clutch chamber, a second temperature sensor for detecting the fluid temperature in the

second clutch chamber, and a control unit receiving signals from the speed sensors and the temperature sensors and generating control signals in response thereto, the control signals delivered to the first and second control valves to independently vary the fluid pressure exerted on the first and second pistons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kevin Hurley whose telephone number is 703-308-0233. The examiner can normally be reached on Monday-Friday 9:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Lesley Morris can be reached on 703-308-0629. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
